Statewide Assessments: Just One Measure of Lara's Progress

California Assessment of Student Performance and Progress (CAASPP) results in English language arts/literacy (ELA) and mathematics give one measure of how well students are mastering California's challenging academic standards. The skills called for by these standards—the ability to write clearly, think critically, and solve problems—are essential for preparing students for college and a 21st-century career.

Lara's Overall ELA Level for 2022–23

What do my child's scores mean?

There are four levels of scores for ELA and mathematics. "Standard Met" and "Standard Exceeded" are the state targets for all students.

- Standard Exceeded** (Level 4)
- Standard Met** (Level 3)
- Standard Nearly Met** (Level 2)
- Standard Not Met** (Level 1)

Score ranges for each level are different for each grade, and the standards for the next grade are higher than for the previous grade. As a result, students may need a higher score to stay in the same level as the previous year.
